Registration and Policy Agreement 2009/2010

Thank you for your interest in Scottsdale Education Center. In an effort to provide the finest quality instruction for our students, the following policies will apply:

Registration and Payment Policy:

An annual registration fee of \$40 per family is due at sign up. All payments are due prior to services rendered with a late fee of \$25 per month applying to any bill outstanding after the 7th of each month. Acceptable forms of payment include cash, check, debit card and all major credit cards. All students will be required to keep a credit card on file with the understanding that if an account is not paid by the 7th of each month, the funds will be deducted from the card such that a late fee will not be incurred. SEC management reserves the right to refuse services to any student with an outstanding bill. SEC requires a two-week notice to terminate services. Fees will apply during that time.

On-Going Monthly Scheduled Sessions/Tuition/Schedule

Students may sign up for On-Going Monthly Scheduled Sessions, which are defined as same time and day each week. Our monthly clients have tutor preference/priority over Drop-In students. They are one hour in length and semi-private. For students who need help with academic concepts, this is our most highly successful program. Students may cancel a session with 24 HOURS NOTICE and reschedule at no additional charge. Any rescheduled sessions must be completed within 30 days of the cancelled session and may be used only if student is then currently scheduled as a monthly student and is current with all payments and may not be used during additional Finals Review Sessions. **If a student does not show up for a session without rescheduling at least 24 hours ahead of their scheduled time, the student will be charged for that session. A make-up may be scheduled, but will be charged at the Drop-In rate of \$45.** Our tutors are scheduled and paid based on the student's monthly commitments and, as a result, SEC is able to offer the preferred pricing for Monthly Scheduled Sessions. When a student does not show, without proper notice, SEC is unable to fill that slot in the tutors schedule and is still obligated to pay them accordingly. Tuition remains the same each month whether it is a 5 week month or a shortened month due to holidays. If the student is not able to commit to the Monthly Scheduled Sessions, SEC does offer the Drop-In Program described below. SEC's first semester ends Dec. 17th. SEC's second semester ends May 20th. SEC will be closed Sept. 7th, Nov. 25-27th, Dec.18th – Jan 3rd, January 18th, Feb 15th. **Hours of operation include Monday through Thursday, 1:30 PM to 9:30 PM.** Summer semester starts June 1st. SEC will be closed in the summer July 5th – July 9th. **Tuition is not pro-rated, refunded, or credited for missed classes or holidays.**

Private and Close-Out (2 student maximum) sessions may be scheduled depending on tutor availability at a rate of \$65 per hour for Private and \$50 per hour for Close-Out.

Drop-In Program

Students may drop-in on a space available basis. Drop-Ins may be purchased in packages with payment due at time of the first session and expire May 25, 2010. No rescheduling is allowed. Drop-In session package fees

Homework Support

SEC's Homework Support Program is designed for students who need on-going help with daily study skills, organization, planning, motivation and timely assignment completion. It is not subject tutoring but rather, guided and focused study time monitored by an experienced educator. Should it be determined that the

student requires specific subject tutoring in addition to homework support, parents will be notified to schedule tutoring accordingly. Our homework support program is most successful with students whose grades may be suffering due to missing assignments. This program can also be augmented with either our Drop-In or On-Going monthly tutoring sessions.
