

# Middle School Summer Camp: Science: Outer Space, and Rocket Science (S.O.A.R.)

## WHAT?

Students will learn what is in the cosmos, and how NASA works. They will check out the international space station and experience “A Day in the Life of an Astronaut”. They will also discuss how to become an astronaut and how to identify constellations.

## WHY?

Critical thinking and problem solving skills development will be emphasized as well as developing a love for science. Students will be introduced to the world of **astrophysics** as an engaging art. Learn how to S.O.A.R. this summer!

## WHO SHOULD ENROLL?

All students entering 6th, 7th or 8th grade in fall of 2018.

## WHEN?

**Session I: June 11th-22nd Monday - Friday from 1PM-3PM**  
**Session II: July 9th-20th Monday - Friday from 1PM-3PM**  
(both sessions teach the same curriculum)

## COST?

**\$195 Course Cost**

SEC also offers a class bundle, at a discounted rate, for 3 of camps that will run 9AM-3PM. Please see our website or call 480-538-0828 for more information.
