

High School Reading / Writing Program

- Designed for students who have not historically been readers or who scored below 22 on any practice or official ACT Reading section or 560 on SAT Reading/Writing and Language sections.
- This program is designed to boost overall reading/writing skills, improve classwork quality and college preparation results, and encourage a love for reading/writing.
- Writing will focus on thesis development, concise pointed writing, analysis of texts and persuasive writing prompts.
- Reading will focus on annotation skills, reading comprehension and short answer questions with evidence using text and ACT timed critical reading samples.
- Students will incorporate current assigned reading into sessions as well.

Price \$340

for 8 semi-private hours, typically spaced over 2-4 weeks.
