

STUDY SKILLS

HOW TO GET GREAT GRADES!

WOULD YOU ANSWER **YES** TO ANY OF THESE QUESTIONS?

- DOES YOUR STUDENT STRUGGLE IN SCHOOL?
- SPENDING NO TIME OR TOO MUCH TIME DOING HOMEWORK?
- NOT TURNING IN THEIR HOMEWORK?
- ARE YOU CONSTANTLY FIGHTING WITH YOUR STUDENT TO GET THEM TO DO THEIR SCHOOLWORK?
- NOT DOING WELL ON TESTS?

STUDY SKILLS PROGRAM

1. EFFECTIVE USE OF A DAILY PLANNER

2. TAKING NOTES BASED ON THEIR LEARNING STYLE

3. RESEARCH AND MEMORIZATION TECHNIQUES

4. PREPPING FOR TESTS

5. EFFECTIVE TIME MANAGEMENT

HOW IT WORKS:

We start with a **FREE** one on one assessment consultation where we review academic history, current study habits, study environment, attitude toward school, extracurricular activities, and academic goals (i.e. do you want to go to college, what do you want to study, where do you want to go?) If there is a mismatch with current performance and needed results we highlight the gap. We discuss use of the planner as one of the key tools to daily efficiency. We discuss the need to read and "do stuff" that helps them be better students. We ask them to take a daily log to see in black and white how much time is wasted vs. how much time is productive, each and every day. And, finally, we ask them to make a goal for the current academic year to help them close the gap and exceed their goals.

- **1 Hour Comprehensive Assessment**
- **4 - 1 Hour Semi-Private Tutoring Sessions. Twice a week for two weeks.**
